L no 10388-9 dated 4.4.64
ex Approves with certain
observations,

2/26

From the D - Shumoga
No. 175 P 2 2 3 6 c 1 2 2 4 / 43 8/12-43

Requests sanction to the
proposal of the Shumoga Town
Municipality to establish two
hospitals and two Harems
on the revised scale of pay
viz Rs 30-4-8-12 each per month, the
cost being met by the M.C.
and the Govt in equal proportions.
The question as to whether the
Govt should pay a moiety of the
establishment charges of Ayurvedic
dispensaries located in the M.C.
has not yet been decided in
this circumstance, this proposal
cannot be sanctioned out of
the M.C. prepared to meet
the entire cost, the proposal
may perhaps be sanctioned
subject to the above.

The financial order
27/12/43 of the Shumoga Municipality
is not at all satisfactory.
It is requested that the Govt may come
to its aid by meeting half the cost
of the proposed establishment of Ayurvedic
two small hospitals - which amount Rs 1124
is a reasonable one it would

2

involve a principle, which, if accepted in ^{all} this case, would be a precedent.

3 It is stated that the M.C.B. has provided a sum of Rs 1200 in its Budget for the current year for Ayurvedic & Unani Dispensaries. This amount would be sufficient to open two dispensaries - one Ayurvedic & one Unani on the revised scale of pay is Rs 3000 + 1200 + 8 (beam) ^(pay) ^(month) ^{allow}. Hence the M.C.B. may be advised to make a beginning immediately by adopting the revised scale of pay for the two institutions during the current year. This would be a practicable proposal.

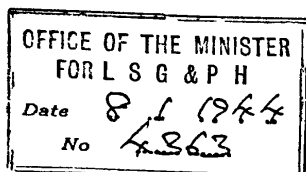

The extent to which the M.C.B. in the State may be helped in this behalf as is done in the case of P.W. Board is a general question which is under examination separately, involving financial commitments & it will be referred to the Executive Committee, recently formed.
